## SEPTIC TANKS

600 US Gallons Septic Tank

750 US Gallons Septic Tank

1500 US Gallons Septic Tank

All Rhino Septic Tanks are manufactured from Prime Grade Linear Polyethylene and are:

- Guaranteed to last a lifetime.
- Resistant to impact and cracking.
- Heavily ribbed for added rigidity and strength.
- Resistant to most chemicals and compounds.
- Lightweight and compact.
- Environmentally friendly.
- WASA approved

#### Accessories:

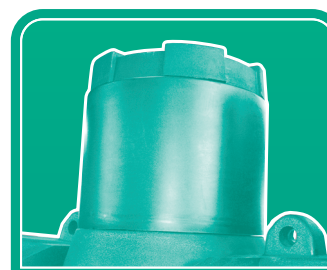

1. Effluent Filter - filters the effluent leaving the septic tank, ensuring that no solids enter the soakaway.
2. Manhole Extension and Filter Port Extension - Allows the tank to be buried deeper into the ground and provides easy access for cleaning
